## IT'S FUN!

Slot Car Racing is family fun. No matter if you are three or one hundred and three, you can enjoy the fast paced excitement these tiny cars can offer. Slot racing is a great hobby that brings family members closer together as they enjoy the benefits of healthy competition. It's inexpensive and easy to get started.

## ABOUT OUR CARS

Slot cars come in various scales. HO, 1/32 and 1/24 are the most common. All 1/32 and 1/24 scale cars are powered by a 12 volt D.C. motor. Slot cars are just like their full size counterparts when it comes to racing and maintenance. 1/32 cars measure about 6 inches long by 2.5 inches wide, while 1/24 scale cars measure about 8 inches long by 3.25 inches wide.
